Festival of Sail 2016

Thank you everyone who worked to make this year's Festival of Sail a success. The festival could not happen without the support of local businesses, Coos Bay Downtown Association, City of Coos Bay, Coos Bay Boat Building Center, and the public. The enthusiasm and spirit of Bay Area residents and visitors make the festival the happening place on the southern Oregon coast.

Dinner with the crew went above and beyond our expectations. Attendance was up, everyone enjoyed a good time, and the food, company, and entertainment was awesome. The evening was topped off with a special surprise. Captain Johann Steinke of the Lady Washington, proposed to Megan! An already great evening, now made unforgettable.

The tall ships arrived a couple of days early and stayed a couple of extra days due to weather conditions – and was great news for the Coos Bay Area – more days of fun! We are already planning next year's huge event.

Thank You Everyone!

You make this event possible.

Clamboree and Open House

The boat building center will hold an open house and garage sale during the Clamboree Saturday, June 25th from 8 a.m. until 2 p.m.

Anyone with items to donate for the garage sale may bring them to the center beginning now through June 24th between the hours of 8 a.m. and 2 p.m. Mike Leigh will happily take charge of your donations. The garage sale is one of our major fundraisers and proceeds are used to support classes, workshops, and operating expenses. Your support is appreciated.

Mark your calendar to attend the Empire Clamboree.

Coos Art Museum Celebrating 50 years!

Celebrate the Coos Art Museum's 50th anniversary by participating in the Arts and Culture Charm Rally. Brochure and map is available at the art museum. Check out interesting places to visit from Myrtle Point to Charleston to Bandon to Coos Bay to North Bend. Distinctive charms are available to purchase for \$1.50 at each location. This is a fun way to tour the county and celebrate 50 years of arts and culture.

Be sure to include the Coos Bay Boat Building Center as one of your places to visit!

Upcoming workshops

- Build a folding picnic table and benches
- Build a Mason Bee House and a Bird House

Date and time to be announced for July/August

- Build a Cedar strip canoe

Class size is limited to four participants and will be scheduled for October/November

The picnic table and benches will be on display at the open house on June 25th. Items can either be made in a workshop or ordered already constructed through the boat building center. A sign-up sheet will be available at the open house. If you are interested in any of these classes, please let us know by emailing Joyce Jansen, CBBBC Secretary at theboss1972@live.com
